

Accessibility Statement

Effective as of 30 June 2026

Cercarbono is committed to ensuring that its website, www.cercarbono.com (the "Website"), is accessible to the widest possible audience. We continually work to improve the accessibility and usability of the Website for everyone.

1 Conformance status

We aim for the Website to conform to the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA, published by the World Wide Web Consortium (W3C). These guidelines explain how to make web content more accessible and more user-friendly for everyone.

The Website is partially conformant with WCAG 2.1 Level AA. Partially conformant means that some parts of the content do not yet fully meet the accessibility standard, and we are working to address this.

2 Measures we have taken

To support accessibility, Cercarbono:

- Uses clear, consistent navigation and page structure across the Website.
- Provides text alternatives for meaningful images, where applicable.
- Maintains sufficient colour contrast between text and background.
- Ensures the Website can be navigated using a keyboard.
- Reviews new content and features for accessibility before publication.
- Trains relevant staff on basic accessibility principles.

3 Compatibility

The Website is designed to be compatible with recent versions of major browsers, including Chrome, Firefox, Safari and Edge, and with commonly used assistive technologies such as screen readers.

4 Feedback and contact information

We welcome your feedback on the accessibility of the Website. If you encounter an accessibility barrier, or need information in an alternative format, please contact us:

Email: info@cercarbono.com.

We aim to respond to accessibility feedback within ten (10) business days.
